**Course Title:** LEARN HOW TO DRAW COMICS

**Age Group:** Grades 3-4

**Course Description:** How to tell stories through drawing

**Materials provided:** pencils, erasers, rulers, 8.5x11" paper and bristol board

The workshop will include:

1. Drawing people's faces and different emotions (happy, sad, angry, sleepy, surprised). Learn to draw different kinds of features, ages and hairstyles.
2. Drawing people in action. Learn different body types, clothing styles and professions
3. Drawing animals of all kinds, including dogs, cats, horses, dinosaurs, lions, elephants, and many more!
4. Learning and drawing about different places and settings. For example: outer space, underwater, the beach, a cold winter's day, the desert.
5. Games including Pictionary, Fill in the Missing Panel, Animal Combinations
6. Creating your own comic strip using all the things we learned earlier in the course. First you will CREATE YOUR OWN CHARACTER to use in your comic strip. Next you will WRITE A LITTLE STORY for your character. We will do a rough draft and then do the finished artwork on bristol board using rulers and word balloons.
7. For those who have time, you can begin to colour your comics using coloured pencils (no markers). We will finish up our project and in the final 10 minutes we will put it on the wall like at an art gallery. Congratulations!
